The following project requires Board authorization:

- A. Red Hill Community Water System:** The ACSA staff received three bids for the installation of approximately 400 linear feet of 8' high fence including a 16' double drive gate and a 4' walk gate. The apparent low bidder is Orme Fence Company with a bid amount of \$10,180.00. Attached is a memorandum from Jeremy Lynn detailing the three bids received and the price proposal from Orme Fence Company.

Board Action

We request that the Board of Directors appropriate \$10,180.00 for the installation of the fence at the well house for the Red Hill Community Water System.

Re: Red Hill Fence Board

On February 20, 2009, the Albemarle County Service Authority (ACSA) sent requests to three fencing contractors for the fencing around the newly constructed Red Hill Pump Station. We requested that the contractor provide us with an estimate to provide all the materials and labor necessary to install approximately 400 linear feet of eight foot fence, one 16-foot double drive gate, and one four foot walk gate. We received three bids and they are summarized below:

Orme Fence Company – Bid Amount \$10,180.00

Hurricane Fence Company – Bid Amount \$10,900.00

Foothill Fence Company – Bid Amount \$16,610.00

Let me know if you have any questions concerning these prices.
