

ALBEMARLE COUNTY SERVICE AUTHORITY

Special \$300 Rebate Offer

Would you like to be paid for saving water?

You may be eligible to participate in the ACSA Toilet Rebate Program

ACSA is offering up to \$100 per toilet (maximum of three) to customers who replace older, water guzzling toilets with new, low-flow toilets

What do you have to do to qualify?

1. Must be an ACSA residential customer
2. Must own and occupy home, or be a renter directly responsible for the utility bill.
3. Toilet(s) being replaced must be older generation, installed prior to 1992.
4. Must be pre-approved to participate.
5. New toilet(s) must be installed and an itemized receipt, along with the completed rebate form, must be submitted to ACSA within 60 days of receiving pre-approval.
6. Old toilet(s) must be placed outside by customer, to be picked up by ACSA staff.
7. Customer must allow entrance to the residence by ACSA personnel for verification of the toilet installation if necessary.

How do you receive pre-approval?

Funding for this program is limited. It is offered on a first come, first served basis. Rebate is not guaranteed except by confirmation of approval, and only if program requirements are met.

To receive pre-approval, call for, complete, and return a qualification form to: ACSA Toilet Rebate, P.O. Box 2738, 168 Spotnap Road, Charlottesville, VA 22902. Phone: 434.977.4511

Upon receipt of qualification form, ACSA will determine eligibility and mail you a confirmation.

*** Please note this reimbursement will be for the toilet and toilet seat only. *Miscellaneous fittings, risers, seals, and installation costs are not reimbursable.***
